

Fiche technique

L'IDIOT !

SHOW

Running time : Short version = 10 min Long version = 25 min

TIPORALITY

Arrival time before first show = 2h00 minimum

Time with sound and light technician (30 minutes)
He will need to hear 2 PRECISE music cues before the show, and set the different lighting moods if the equipment allows.

Personal warm-up time = 1h30

STAGE SPACE

This show was created to be performed on an indoor theater or circus-type stage. It can easily be adapted for frontal or circular use. The floor must be plastered and smooth.

GAUGE

Depending on the stage available, it has already been performed in front of 2000 seated people, with good visibility for all, and on the floor, it poses no problem.

IDEAL STAGE

5 meters long x 6 meters deep
6-meter ceiling = minimum height

Sound system required for music projection

LOGISTICS

- 1 – Provide an individual dressing room for the artist. Heated, dry and quiet.
- 2 – Provide a hot meal.
- 3 – Provide access to toilets (clean and equipped) and a water point.
- 4 – Please remember to prepare a catering with bottles of water, dried fruit, fruit (ideally bananas) and snacks.
- 5 – Please provide a car parking space.
- 6 – If accommodation is to be provided by the organizer, please arrange for a single room, hotel, apartment or homestay.
